

Sheep and Beef Cattle Veterinarians

Branch of the NZVA

Grant for Practitioner on Sabbatical

Background

This programme is in the process of being renewed.

At present there is no sponsor for the programme. There is \$10,000 available from the Society if an applicant is found. Some of this would be for an accommodation and meal allowance and would need to be applied for separately.

Please contact the Sheep & Beef Cattle Society Committee at sheep-beef@vets.org.nz if you are interested in learning more about this programme.
