

Is your pet ready for their summer holiday?

Have you checked...

Their vaccinations are current, and you have a vaccination certificate

Yes

No

Call your veterinarian to arrange these

Done!

You have enough medications and food for the holiday period

Yes

No

Great!

Is your pet...

The contact details for their microchip are current

No

Contact the New Zealand Companion Animal Register (NZCAR)

» www.animalregister.co.nz

Or call **0508LOSTPET**

Done!

Having a staycation at home without you

Checking into boarding facility

Travelling with you

Have you left:

- ⊗ A contact list for your pet sitter
- ⊗ Contact details for you and /or another guardian
- ⊗ Veterinarian
- ⊗ Microchip number and NZCAR contact
- ⊗ Pet insurance company and policy number
- ⊗ Feeding instructions
- ⊗ Medication and instructions
 - ⊗ Dose, how often, and how they are given
- ⊗ Appropriate cages / leads / harnesses

Have you brought:

- ⊗ Vaccination certificate
- ⊗ A contact list for the boarding facility
 - ⊗ Contact detail for you and/or another guardian
 - ⊗ Veterinarian
 - ⊗ Microchip number and NZCAR contact
 - ⊗ Pet insurance company and policy number
- ⊗ Feeding instructions (if special food required)
- ⊗ Medication and instructions
 - ⊗ Dose, how often, and how they are given
- ⊗ Appropriate cages / leads / harnesses
- ⊗ Familiar items from home, e.g. toy/blanket

Is your pet used to travelling?

If not, start training them now. Here's some starter resources:

» <https://bit.ly/3IG93or>

» <https://bit.ly/3f7XsME>

Have you got pet travel essentials?

- ⊗ Portable water bowl and water source
- ⊗ Safety harness or other means of securing them in the car

And remember:

- ⊗ Take breaks on long trips
- ⊗ Never leave them in a hot car!

Your pet is all set! Happy holidays!
