

# New Zealand Veterinary Nursing e-library

**SUBSCRIBE  
NOW FOR  
2025!**

Complete archives of the New Zealand Veterinary Nursing Association from 1991 to date.

The New Zealand Veterinary Nursing (NZVNA) library on SciQuest contains a comprehensive archive of selected articles from The New Zealand Veterinary Nurse, the quarterly journal of the NZVNA. It also includes proceedings of the NZVNA Annual Conference which is published on an annual basis.

This library provides a unique collection of high-quality articles on a wide range of veterinary nursing topics, in fully indexed and searchable format. Over 300 articles spanning 30 years of quality New Zealand veterinary nursing literature.

## SUBSCRIPTION DETAILS

### General

All subscriptions provides online access only. Electronic access online is by annual subscription on a calendar-year basis, commencing 1 January. Access to content expires if subscription is not renewed.

### Personal subscriptions

For individual subscribers NOT organisations or institutions. Base subscription is included as a benefit of NZVA membership. Subscription is NOT available to individuals who are eligible to join the NZVA who choose not to become a member.

### Multi-user, single-site subscriptions

For single organisations located at a single campus or site. For single organisations operating from multiple sites that are geographically separate but centrally administered, provided the total number of people that can access the archive does not exceed 50.

### Multi-user, multi-site subscriptions

For single organisations requiring access from multiple sites that are geographically separate but centrally administered, when the total number of people that can access the archive exceeds 50. A subscription is required for each site. Provided a full subscription is purchased for one site, branch sites of the same organisation qualify for a 50% discount on the list price (eg a three-site organisation that qualifies under this plan must pay one full subscription and two half-priced subscriptions to gain access for all three sites).
